Ten Cents

The DIMMER VIEW

by Max Goodwin

To Stop Motor Murder

Recently, a formidable group of attorneys — American Trial Lawyers — urged lawmakers and citizens to demand a reduction of slaughter on the highways.

Recommended were specific steps which federal government could take to make autos safer.

Few of these were heeded by Congress, but the group ploughs on, hoping that somewhere along the line, a realistic set of sensible laws would retard the high death rate.

Congress passed a Motor Vehicle Safety Act in 1966 but the controls barely touched the surface of the problem.

The group avers that design and materials defects cause many collisions. These, it says, are capable of correction.

But there are areas where corrections should be made — and at once, trial lawyers say.

1. Drunk and drinking drivers must be removed from highways.

Scandinavian countries have done the job during the past 50 years with meaningful legislation. There, it is unlawful for anyone to drive with over 0.05 per cent by weight of alcohol in his blood (equivalent to two one-ounce drinks).

In America, the equivalent almost everywhere is 0.15 per cent, three times as much. This ratio is the price we pay for preserving the "right" to drink. Yet, almost 55,000 auto accident deaths last year — and 100,000 predicted by 1975 — were attributed to alcohol in half of the cases.

Scandinavian social habits, according to the lawyers, have been changed by the tougher laws. There, it is no longer socially acceptable to drink before driving. Socializing goes on — drinking continues — but drinking is separated from driving. It works there. It can work here, too, it is said.

2. National minimum standards needed for auto licensing. Higher mental, physical and emotional capabilities should be included in national standards. The assumption that a driver, once licensed, retains his mental and physical health forever, is untrue. Regular checkups must be enforced.

3. National standards must be designed to remove licenses from "chronic bad drivers."

All state should "beef up" laws to remove licenses from those involved in serious offenses and repeated less serious accidents, the group says.

It will be a slow process but it is necessary to impose a new attitude onto the fabric of our legal system about the over-riding importance of safety.

Eventually, it will become socially unacceptable for one to be a chronic traffic violator. This is the situation that now exists in Scandinavian countries, it is said.

4. Reasonable use of available safety devices must be mandated.

Seat belts, shoulder harnesses are valueless if they are not used. Autoists should be forced by law to use these devices.

Manufacturers should be required to build cars with stronger roofs, safer attachment points, and provide substantially stronger shoulder harnesses now available only in racing cars.

These recommendations of minimal. Any others that would tend to reduce highway carnage should also be invoked.

'Miss Lemon Grove' Title Ready Again

The Lemon Grove Rotary club will sponsor the Miss Lemon Grove contest again this year, president Thomas S. Clayton said this week.

He named past-president A. E. Mouillesseaux chairman of the event which will be held April 11. Dr. Griffith Clark is assistant chairman.

Mouillesseaux said a group of prizes will be contributed by Lemon Grove and College Grove merchants to make this year's contest the most valuable of the several past.

Contestants must reside within the Lemon Grove school district and be in high school or college. More details will be made available before the end of the month he said.

A special prize will be awarded to the first applicant. Application may be made at the office of the Lemon Grove Review, 7834 Lester ave., or at Molly's Texaco station, at Broadway and Massachusetts.

Mayvin Myer is the present Miss Lemon Grove.

James Rotsart Dies; Mail Superintendent

James E. Rotsart, 50, of 7424 Central ave. in Lemon Grove and well-known in this area, passed away Sunday evening.

Cause of death was not immediately known, but preliminary examinations indicated to coroners that cause was coronary thrombosis.

Rotsart, who had lived in this area 21 years, had worked nearly all of that time at the Lemon Grove post office, as Superintendent of Mails.

He retired two years ago because of ill health. He was a native of Illinois.

He is survived by his widow, Rose Marie; two sons, John of Lemon Grove, and Steven, serving in Vietnam; two daughters, Jane Tittman of Spring Valley and Nancy Rotsart of Lemon Grove; his mother, in San Jose; and a brother and sister, both from out of the area.

Recitation of the rosary is scheduled tonight at 7:30 p.m. at St. John of the Cross Catholic Church in Lemon Grove.

Funeral mass will be said tomorrow at 9:30 a.m. at St. John of the Cross, to be followed by interment at Holy Cross Cemetery in San Diego.

Conrad Mortuary in Lemon Grove is handling arrangements. The family requests that in lieu of flowers, memorial gifts be sent to the heart fund.

Rainfall deficiency continues to worry east county residents as the total for the rain season trails last year by two thirds.

The early-week storm produced .88 of an inch bringing the total to 3.24 inches for the year. This compares with 10.00 inches for the same period in 1969 according to Donald Norvell, meteorologist with the local fire department.

Rain season ends July 1 and rain days end at 4 p.m.

Apartment Zoning In Double Reject For Local Projects

SAN DIEGO (CNA) Zone reclassification for two Lemon Grove apartment projects in Lemon Grove area were denied unanimously this week by the County Board of Supervisors.

The situations were similar. The zone in both cases was R-2-A, a duplex zone, with a minimum lot size of 6,000 square feet, and both of the parcels were about three acres.

On Monday, James A. and Ruth M. Eppick asked for R-4 zoning on the west side of Osage, south of Drexel drive.

On Tuesday, Nouri M. Mansy and Aziz Habib asked for R-3 zoning on the north side of Tyler, east of Sweetwater, south of the Carman Ranch Mobile Home Park.

In both cases, the developers said they could not develop economically under R-2-A.

Zoning Chief John Cassidy said there would be spot zoning in each case.

He said the granting of either request would leave little reason not to grant all similar requests in either vicinity.

Teacher Discovers Two Infant Bodies

A Monte Vista High School teacher, jogging during his lunch break, discovered the bodies of a pair of infants wrapped in plastic bags and tossed by the side of the road February 4.

The teacher, Vincent Muzzo, was jogging on Sweetwater Springs rd., two blocks north of Jamacha blvd. in Spring Valley, when he noticed what looked to be plastic bags on the side of the road.

Investigating, he found the bodies and notified Sheriff's Deputies.

A Spring Valley woman later was found who said she noticed the bundles earlier in the morning, but assumed the packages were rubbish.

Deputies are still investigating the case.

The bodies were of two newborn boys, apparently twins. The boys were described as full-term Caucasians with brown hair and blue eyes.

Sheriff's Sgt. Robert L. Norton said the babies were probably born late February 3 or early the next morning and that their umbilical cords had not been tied at birth.

The infants had been individually placed in plastic bags, then in another plastic bag, and again in a large brown market bag.

Evidence at the scene, according to investigators, indicated the bodies were thrown from a fast-moving north-bound vehicle.

Night Thieves Amputate Car

The usual host of robberies and incidents of vandalism characterized the Sheriff's blotter last week.

Included was the loss of four wheels from a car, in Spring Valley.

The vehicle, belonging to Kevin Scanlon, of 8022 Troy st., was jacked up, placed on blocks and had the wheels removed. The loss was estimated at \$300. The theft occurred late February 3.

Thieves also broke into El Amigo Restaurant in Lemon Grove and made off with \$225 in loose cash the same night.

The restaurant is located at 3307 Imperial.

LG Fire Report

The Lemon Grove Fire Department answered four fire calls and three rescue calls for the week of Feb. 2-9. Here are the fire calls:

Feb. 4 at 6:44 a.m., the department answered a call to Broadway and Imperial. A car belonging to Art Berry of 7809 Broadway, caught fire, due to a backfire, causing about \$50 damage.

Feb. 5 at 1:15 p.m. to the Pat Grace Ford Agency on Broadway. A pickup truck was being cleaned with gasoline, which caught fire and was burned slightly, along with an adjacent fence, the loss about \$25.

Feb. 6 at 11:13 a.m., firemen responded to 8232 Palm ave. Children playing with matches were the reason for a mattress and rug fire at the Ronald Braum home, the damage, about \$80.

Feb. 8 at 12:58 p.m., a call to 1504 San Altos. Children attempting to repair a bicycle tire accidentally ignited gasoline with a match. Loss to the garage of J. F. Lantz was about \$76.

RESCUES.

Feb. 5, rescuers went to 8421 Mt. Vernon to the home of an expectant mother, but she was taken to a hospital by her husband.

Feb. 7 at 8:50 a.m., rescuers went to 3760 Olive st. Hilda Orosco, 54, was ill and sent to Lemon Grove Medical Center.

Feb. 8, James Rotsart, 52, of 7424 Central, was ill and sent to Grossmont Hospital.

Monte Vista Ranch Prime College Site

Grossmont College's site selection committee, looking for a suitable location for a needed second campus, narrowed the choices to three last week.

The committee, commissioned by district trustees, named Monte Vista Ranch property among the choices, and clearly favored the property as the best choice.

Also considered are property in Blossom Valley, and property at the old Marston Ranch east of Lake Jennings.

The Monte Vista Ranch was also under consideration ten years ago, when the decision

was made to build the first campus. The property was the second choice among what was then available.

The site is considered a prime location because it is in the path of projected population growth.

The land was recently purchased by a Midwestern developer who subsequently announced plans to make the area into a total community, populated by upwards of 25,000 persons.

College trustees will eventually decide the location of the second campus, using the recommendations of the selection committee.

However, the committee and trustees will have to acquire more detailed information before the final decision.

Construction of a second campus isn't expected to begin before 1973, with occupancy set for 1975. The district has been advised to build facilities suitable for 10,000 students by 2000.

The existing Grossmont College facility was designed for 5,000 students, but already houses more than that.

The Monte Vista ranch property is reportedly offered at \$6,500 an acre, but the recent transfer of ownership muddles the situation.

The site under consideration was made available by the present owner, and the company acquiring the ranch has yet to make any concrete decisions about a possible campus although the executive vice president of the organization told committee members last week that "we would like to see the college on the property."

The Marston property, somewhat farther from the district's center, is on sale for \$4,000 an acre and the Blossom Valley and is priced from \$6,000 to \$8,000 an acre, with the bulk of the site going at the cheaper price.

The college will need 165 acres.

Netzley Tells Board New Bills Possible

Lemon Grove school board members Monday night heard Bryon Netzley optimistically speak of counter-proposals in the wake of President Nixon's veto of a law that included impact funds for the area.

Netzley, who put in a personal appearance at the nation's capitol, as did a number of educators, told board members that several congressmen were drafting alternate measures that would soften the loss of federal funds.

Lionel Van Deerlin told the educators that the lawmakers would risk another veto in trying to get a reasonable measure passed.

The board also voted to set aside monies for Teen Challenge, a program presented by reformed drug users. No firm plans were made, but board members discussed the possibility of PTA groups and, possibly, service clubs to help finance the presentation.

The board did agree to offer \$300 to the group, and also decided to make up whatever portion of that amount that couldn't be raised.

In other business, the board approved adoption of the 1970-71 preliminary school calendar, as recommended by the County Superintendent.

The calendar calls for school to begin Sept. 14, and June 18, and leaves Dec. 21 through Jan. 1 for Christmas vacation.

Palm Undergrounding Decision Delayed By Supervisor's Changeover

SAN DIEGO (CNA) — County Supervisors could not muster enough votes at the end of a long day Tuesday to form Underground Utility District No. 4, along Palm st. in Lemon Grove.

Three supervisors were present, but newly-seated supervisor Miles Kratka will have to review the tape of the previous hearing to be eligible to vote.

The hearing was closed and there appeared to be little doubt that the project will go ahead, Supervisor Harry Scheidle informed the handful of people who remained to protest.

A deputy administrator, Elmer Keshka, told the board

that out of replies of a special poll 28 percent of the property owners remain in opposition, that is, 20 out of 71 parcels.

Scheidle said he thinks the people still do not have the proper information. He said they are going to get work costing about \$2,000 per parcel paid for by the S.D. Gas and Electric Co. in return for spending about \$150 to \$200 of their own money.

Mrs. Marjorie Jackson said she owns three parcels and that she doubted the validity of the estimates.

Utilities will be placed underground during the widening of Palm to four driving and two parking lanes.

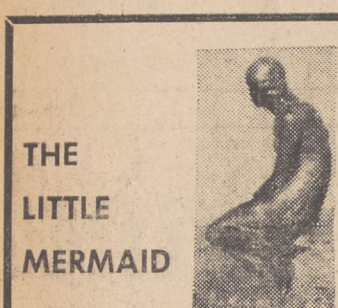

DRIVE CAREFULLY — Is the motto on one of four signs erected by Spring Valley Rotary members last week. Here, Dan Brady, Don Tarr and Dan Swing re-enact one of the sign "plantings," at Avocado blvd. and Campo rd. Other signs are at Jamacha and Sweetwater, at Conrad and Campo, and in front of the Oxbow Inn in Spring Valley. Jim Smith and Dr. Herman Rauch were among other Rotarians who did the work.

ACCIDENT — Highway Patrolmen and ambulance attendants put auto accident victim on stretcher. The accident occurred Thursday morning in front of the Lemon Grove Post Office on Broadway.

Lutheran Lenten Services Begin

The first of a series of Lutheran Midweek Lenten Vespers got under way at Atonement Lutheran Church yesterday, Ash Wednesday.

Danish Sandwich Meats and Dinner Meats To Go
7874 BROADWAY LEMON GROVE

These services are conducted at 7:30 p.m. each Wednesday during Lent and are shared by members of Atonement and Shepherd of the Valley Lutheran Churches as an expression of fellowship in their common tradition as Lutheran Christians.

On February 1 a joint worship service was held at Atonement church and last Sunday at Shepherd of the Valley. The Lenten Vespers in February will be held at Atonement and conducted by the Rev. Lawrence P. Rudolph and the remaining three will be held at Shepherd of the Valley and conducted by the

Rev. Louis Mertz.

Both congregations were established in the past decade through the interest of their sponsoring synods to serve Lutherans and other interested Christians in this area — Shepherd of the Valley serving from their base north of Campo road and Atonement on the south.

The two churches are currently exploring the possibility of combining their operations into one congregation and have been meeting together in discussions and worship in an effort to decide whether they should go on individually or as a combined congregation.

TV Rally Slated At Christian Church

A Revival Fires TV Rally is scheduled to be held at the Christian Church, 6970 San Miguel ave., Lemon Grove Sunday at 7 p.m. where Dr. John T. Chase is minister.

Evangelist Harry K. Orn of First Christian Church in Yuma, Arizona and West Coast Representative of the TV Program will be the speaker. It is expected that the Good Twins, nationally known recording artists will be in charge of the music.

Orn is a graduate of Lincoln Christian College, Lincoln Ill. and is a successful minister and evangelist.

His message will be "Evangelism Thru Revival Fires." Everyone regardless of their religious affiliation is welcome to come and see and hear this program.

Revival Fires is seen every

Sunday afternoon in this area on Channel 39 at five o'clock and appears on more than 100 stations coast to coast.

The preacher on the program is a colorful evangelist who grew up in the Kiamichi mountains of Oklahoma and who after receiving his academic training at Ozark Bible College in Joplin Mo. has been responsible for the conversion of many thousands to Christ thru his preaching ministry.

If you are interested in good Gospel preaching, in non-denominational Christianity you will enjoy Revival Fires with its strong musical program that accompanies the preaching.

Come Sunday night and hear more about this great program of Evangelism thru Television.

AREA OBITUARIES

Bone Cancer Claims Crystal Prest, 11

Crystal Ann Prest, 11, succumbed to bone cancer after a long illness. She died February 3 in University Hospital in San Diego.

Private services were held Friday at Conrad Mortuary in Lemon Grove, followed by interment at Glen Abbey Memorial Park in Chula Vista.

Crystal, daughter of Mr. and Mrs. John Prest, 7933 Nichols st., was born in Webster, Mass., and lived there until her family moved to Lemon Grove two years ago.

She had been a student at Monterey Heights Elementary school.

Crystal is survived by her parents; three brothers, Richard, Francis and Steven; two sisters, Bonny and Betty; her fraternal grandparents, Myrtle and Jude Landry of Massachusetts, and many aunts, uncles and cousins in Massachusetts.

MARGARET SCOTT
Services were held Saturday for Margaret Christine Scott.

SOCIAL SECURITY

Will Medicare Foot Prescription Bills?

Q. I read in the paper that Medicare may start paying for prescription drugs. Will this begin soon?

A. In order for prescription drugs to be covered under Medicare, Congress would have to change the Law. At present, this expensive item is merely in the proposal stage.

Q. I am a waitress, and have to pay social security tax on the tips I receive from customers. What good does it do me?

A. Social Security benefits are based on the amount a person earns over the years. By adding your tips to your regular wages, your social security benefit will be higher.

Q. Does a disabled widow, age 50, receive the same monthly payment as a widow who starts receiving payments at age 62?

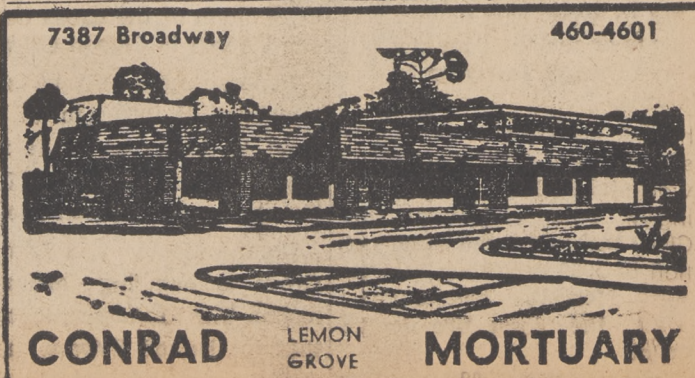

A. No, she does not. A 50-year-old disabled widow will receive 50 percent of her deceased husband's base amount, whereas an age 62

widow receives 82 1/2 percent of her deceased husband's base amount.

Q. My husband is going to be 65 this summer, but is not planning to retire at that time. I say that he should sign up for Medicare a couple of months before he turns 65, but he says he doesn't have to until he retires. Who is right?

A. You are. Even though your husband may not be eligible for monthly social security benefits at that time because of excess earnings, he can have hospital and medical insurance protection as soon as he reaches 65, but he must apply for it.

This newspaper presents this question and answer column about the Social Security program as a public service to our readers. The questions are those most frequently asked about Social Security. The answers are provided by Sumio Oto, El Cajon Social Security Office Manager.

Robesons Celebrate Golden Anniversary

Mr. and Mrs. (George T. George and Edith) Robeson, of 8872 Troy st., Spring Valley, will be honored for their 50th wedding anniversary at a reception, given by their children, Sunday in the American Legion Hall, 8115 University ave., La Mesa.

Friends and family are invited to attend from 2 until 5 p.m. A wedding cake and punch will be served. ("No gifts, please," it is requested.)

George Robeson, born in Nebraska, came to San Diego in 1911. He attended the old Sherman School. He is a member of the old "East End Gang," a group of students around the turn of the century who attended Logan ("East School"), Sherman and Middletown Schools. The East End Gang still meets occasionally to talk mostly about "Old Times."

George Robeson learned the sheet metal business from his father, the late Thomas Robeson and older brothers, working in the California Sheet Metal Works, which was located at Fifth and University avenues, at that time.

Edith Robeson, the former Edith Stephens, was born in Arkansas and came to San Diego in 1904. She attended the old Florence School. Later she moved to National City, where she worked as a telephone operator, before she met and married George.

George and Edith Robeson were married in San Diego on Feb. 7, 1920 and lived for a while on Louisiana st., where their first son was born. They have the distinction of being the parents of the first baby born on New Year's Day in San Diego in 1921, the baby arriving at 12 midnight, on the dot.

Robesons moved to Spring Valley in 1922 and started a chicken ranch. Here three more sons were born to them.

Both Mr. and Mrs. George Robeson have been active members of the Spring Valley Friends Community Church since it was first built. She was treasurer of that church for six years.

George and Edith Robeson have eleven grandchildren and seven great-grandchildren, all of whom are taking part in the reception.

And, as a big surprise to Edith Robeson, George brought in a band ("live music") to serenade her the evening of their Golden Wedding Anniversary.

Afghanistan is about the size of Texas.

ENGAGED — Mr. and Mrs. James N. Ray, 160 W. Fairfield, Gladstone, Oregon, former residents of Kenwood drive, Spring Valley, announce the engagement of their daughter Carol Lynne, to Clinton Ray Bishop, son of Mr. and Mrs. Bryant H. Bishop, 10208 S.E. Mill Ct., Portland, Oregon.

Miss Ray is a 1964 graduate of Mount Miguel High School and received her BS degree in health and physical education from Portland State University in August of 1969. The groom-elect will graduate from Portland State University in June with a BS degree in business administration. A July 27th wedding is planned.

Mr. and Mrs. Don Luscombe Given PTA's Life Award

A long-time Lemon Grove couple has been named as the Honorary Life Membership recipients for 1970 by the Mt. Vernon PTA for their continued work with children.

The recipients are Mr. and Mrs. Don Luscombe, 8476 Palm ave., received the award at last night's February PTA meeting in the school cafeteria. It was the first time two persons have been named since the award was originated at Mt. Vernon school in 1960.

The Luscombs were charter members of the Palm Avenue Elementary School PTA in 1958 and charter members of Cub Scout Pack 318 in 1954.

Mrs. Luscombe was a room mother at school, an assistant Den Mother in the Pack and a Blue Bird leader for three years when her older children, Don, Jr., 25, and Carol, 21, were in elementary school.

Her husband was active with the PTA and a committeeman in the Scouts.

When their younger children, Neal, 11, and Brian, 10, enrolled in school, Mrs. Luscomb became a PTA board member and a room mother and her husband helped in many school activities.

When the younger boys took an interest in Cub Scouts, Mrs. Luscomb was a Den Mother and awards chairman for the Pack and Mr. Luscomb became ticket chairman for the group in addition to painting posters and contributing many hours in other Cub events. Their daughter is now a Den Mother for Pack 318.

Mr. Luscomb has also been a Little League baseball manager and his wife a team scorekeeper. Their oldest son also has been a team manager

ART - MUSIC - THEATRE

Recital Scheduled

Tenor Robert Gartside and pianist Keith Humble will perform a recital of songs by French Renaissance composers at 8:30 p.m. Wednesday, in the Matthews Campus Recital Hall, Building 409, at the University of California, San Diego.

The concert, presented by the UCSD Department of Music, is free and open to the public. Works by Ravel, Ives, Humble, Schoenberg and Schumann will be included.

Gartside, of Boston University, has distinguished himself as a gifted recitalist both in the United States and throughout Europe.

His early performances under the direction of Charles Munch, Paul Hindemith and the late Serge Koussevitzky brought him to the attention of Gerard Souzay, who encouraged him to go to Paris for further study with Pierre Bernac and the late Francis Poulenc.

Citizens of the United States make more than 225 million telephone calls a day.

Dance Is Feature

Frederic Franklin, one of the great figures of the international dance world, will dance the role of Dr. Coppe- lius, in the ballet "Coppelia".

Franklin is also artistic director of the National Ballet (of Washington) which will appear on the San Diego Community Concern 1969-70 series Wednesday, starting at 8:15 p.m. at the Civic Theater. Admission is by membership in the Community Concert series and starting the week of February 23 membership will be opened again to all San Diego residents.

Organist Performs

Bill Appleton of Thearles Music Co. will present a program of organ music at the regular meeting of the Lemon Grove Woman's Club on Friday at the clubhouse, 2810 Main st. at 1:30 p.m.

Plans for a Fashion Show on February 20 will be completed at this time. Mrs. Bernard McNulty will be chairman.

The Yukon Territory is about one-third the size of Alaska.

UCSD Begins Black Series

A special series of concerts, plays and lectures, featuring Black performers and authorities on Black culture and traditions will be presented during February and March by the University of California, San Diego in connection with the "Dimensions of Black" art exhibit at the La Jolla Museum of Art.

Scheduled to appear during the series are Leroy Jones and Company, blues musicians Sonny Terry and Brownie McGhee, the Les McCann Trio, and the Towoda African Dance Ensemble from UCLA.

In addition, lectures by Dr. Roy Siever of the University of Indiana, Dr. Robert Thompson of Yale University, and Dr. Herbert Cole from the University of California, Santa Barbara, have also been scheduled.

The Towoda African Dance Ensemble will appear at 8:30 p.m., Saturday, February 21, in Sherwood Hall, adjacent to the La Jolla Museum. Unreserved seating is \$1 per person.

Chamber Concert Set

A special Chamber Concert at the University of California, San Diego will begin a year of dedicatory performances and programs in honor of septuagenarian composer Ernst Krenek who celebrates his 70th birthday this year.

The concert, sponsored by the UCSD Department of Music, will be held at 8:30 p.m. Saturday, Feb. 14, in the Matthews Campus Recital Hall.

Festival Productions Announced

Three productions have been scheduled for presentation during the 1970 San Diego National Shakespeare Festival. The twenty-first annual summer festival season has been announced by Old Globe Theatre Producing Director Craig Noel.

The fourteen week season will open June 9 and conclude September 13.

Opening on June 9 will be the popular comedy *Much Ado About Nothing*. Three days later on Friday, June 12, the historical drama of *King Richard II* will open. The two plays will alternate performances until the romantic legend *Cymbeline* joins the festival season on July 9. All three plays will continue through September 13.

Evening performances of the three productions are presented nightly except Monday at 8:30 p.m. Saturday and Sunday matinees at 2 p.m. will start on June 13. Wednesday matinees will be included beginning July 13.

Performed in a replica of Shakespeare's original Globe Playhouse, the San Diego National Shakespeare Festival will feature a professional acting company assembled by the Old Globe Theatre specifically for the festival. Producing Director Craig Noel will announce the guest directors, designers and actors as the season approaches.

The San Diego National Shakespeare Festival is recognized as one of the finest in North America. Beginning in 1949 with a brief twenty-two performance schedule of one play, this season includes three productions during one hundred twenty performances. The intimate Old Globe Theatre in Balboa Park seats 420 persons.

GETTING READY — Holly Nottingham, Lemon Grove, an advanced piano pupil of Lee Clapham, 2455 Massachusetts ave., works with the teacher as they prepare for Sunday's recital.

Holly and Robert Vazquez, San Diego, will be honored at the recital for appearing for their 8th consecutive year. Seven other pupils will receive honors for lesser numbers of years.

Holly is preparing to teach elementary piano students. In addition to her piano work, she plays drums with the Helix High School bands.

Midwinter Recital Is Scheduled

Lee Clapham, local music teacher, announces his 13th Annual Midwinter Recital, to be held in three parts Sunday at the Lemon Grove Junior High School Auditorium.

Part One will begin at 1:25 p.m.; Part Two at 2:00 and Part Three at 3:10.

Admission is free, and the public is invited.

Fifty students of piano, guitar and accordion will perform. Honor performers from Lemon Grove, La Mesa and Spring Valley include:

Jo Ann and Mary Ann Brumbaugh, Michele Dale, Bobby and John Davison, Debbie Dyer, Robert Vazquez, Lu- Nell Gilliland, Ellen Donley, Holly Nottingham, Debbie Oswald, Corinne Russian and Keith Ungrecht.

Miss Nottingham will be performing in her eighth consecutive recital. All will perform on the piano except Bobby Davison on the organ and John Davison on the guitar.

Area Youth Nominated

A Helix High youth is among 40 young Californians to be nominated by Senator Alan Cranston to appointment to the nation's military academies.

The youth, Craig Scott Galzraith, 17, is the son of Dr. and Mrs. Oliver Galzraith III, 8145 Whitehead pl., La Mesa.

He was selected to contend with nine other nominees for a vacancy at West Point.

Learn Spanish the Easy Way

Hardison's Telespanish

By JAMES HARDISON

As many times as we have seen the advertisement of "Carta Blanca" on local bill boards and on television it has never occurred to me that "Carta Blanca" might be of Spanish origin. In each ad it is always associated with beer. Does "carta" mean "beer?"

One of the best known beers of Mexico was given the name "Carta Blanca" which literally means "white letter." Idiomatically the expression is similar to the accepted English "carte blanche" which has been described as a signed paper left blank for the person to whom it is given to fill in his own conditions.

The word for "beer" is "cerveza." It is a popular beverage in Latin America and Mexico in particular. The chronic scarcity of drinking water in most Spanish-speaking countries has brought about a general demand for "cerveza" as a liquid to be taken with the noon and evening meals.

"Carta" is also used in the literal sense. Examples are "Es una carta." (It is a letter.) and "Yo escribo una carta." (I am writing a letter.)

"Blanca" is a basic adjective. It may modify nouns as

in the case of "casa blanca" (white house) and "luz blanca" (white light).

Today's phrases listed below reflect the use of "carta" and "blanca" in both literal and idiomatic phrases. You may wish to learn them with the aid of the recorded voice which says them automatically when you dial 276-2762.

IMPORTANT PHRASES:

Say "Escribame una carta." (eh-SCREE-bah-meh OON-ah KAHR-tah) for "Write me a letter." Say "La carta es interesante." (lah KAHR-tah ehs een-teh-reh-SAHN-teh) for "The letter is interesting."

USEFUL PHRASES:

Say "Yo escribi una carta." (yoh eh-scrie-BEE OON-ah KAHR-tah) for "I wrote a letter." Say "Yo use papel blanco." (yoh oo-SEH pah-PEHL BLAHN-koh) for "I used white paper."

OTHER PHRASES:

Say "Que clase de carta es?" (keh KLAH-seh deh KAHR-tah ehs) for "What kind of a letter is it?" Say "Es una carta de amor." (ehs OON-ah KAHR-tah deh ah-MOHR) for "It is a love letter."

Matadors Tabbed For Choral Honor

Six area students, 5 from Mt. Miguel High School, have been selected for the All Southern California High School Choir. Sponsored by the Southern California Vocal Association, students were selected by audition last fall, and have been practicing on weekends in the LA area.

Paul Salamunovich is conductor of the Honor Choir. Salamunovich is director of choral music at Loyola University, and Mount Mary's College, Los Angeles, and has served for thirteen years as assistant director of the Roger Wagner Chorale.

Local practices were conducted by Patricia Francis, of Parkway Junior High School, La Mesa.

The entire Honor Choir presented a public performance on Feb. 7 with the All-South-

ern California High School Honor Orchestra, and will again perform on February 17 at 8:30 p.m. in the Dorothy Chandler Pavilion of the Los Angeles Music Center.

Students from Mt. Miguel selected are Maria Mulaney and Faith Walters, sopranos; Leslie McDaniel, alto; David Garcia, tenor; and Michael Dwyer, baritone. These students are members of the Mt. Miguel High School Choir, Robert Boucher, director.

David Scott, baritone, from Patrick Henry High School is the other SD County student participating.

Aachen, West Germany, dates back to days of Romans who came to the city, building luxurious bath houses around the hot springs they found there.

SPEEDY — Three Charger fans discuss football with Speedy Duncan prior to Duncan's talk Feb. 20 at Cub Scout Pack 953 at Patrick Henry High school cafeteria. In the photo with Duncan are Dr. Dale Passick, a physician with the Lemon Grove Medical Group, Dr. Passick's son Bradley, Jeff Hansette, a Pack 953 member, and Duncan.

Duncan, defensive back and punt return specialist, holds two AFL records. One, a 100-yard interception return and the other a 95 yard punt return. During the off season Duncan is associated with the Governor's Youth Program. About 250 Scouts and their parents are expected to hear Speedy.

Grove's Musicale Scheduled Sunday

Mrs. Ada Krinsky, Music chairman, Lemon Grove Women's Committee of Grossmont Concert Association will introduce the Girls Ensemble of Mt. Miguel High School, di-

rected by Robert Boucher, at the Lemon Grove Musicale Sunday, at 3 o'clock in the La Mesa Adult Recreation Center, 8450 La Mesa blvd.

Their program will include three Love Songs by Brahms, Ava Maria by Poulenc and People by Styne with Naria Mullaney, vocal soloist and Michael Wong, piano soloist.

The Ensemble, during Christmas vacation, toured Mexico giving concerts in several cities including Mexico City, Acapulco and Leon, sister city of San Diego.

Teaching school is one of the oldest professions and also the largest.

A continuing report on the progress of undergrounding electric lines in the San Diego area.

The role of local government in the undergrounding of electric lines.

The 15 incorporated cities and two counties in which we provide electric service have vital roles in the converting of overhead electric lines to underground distribution systems.

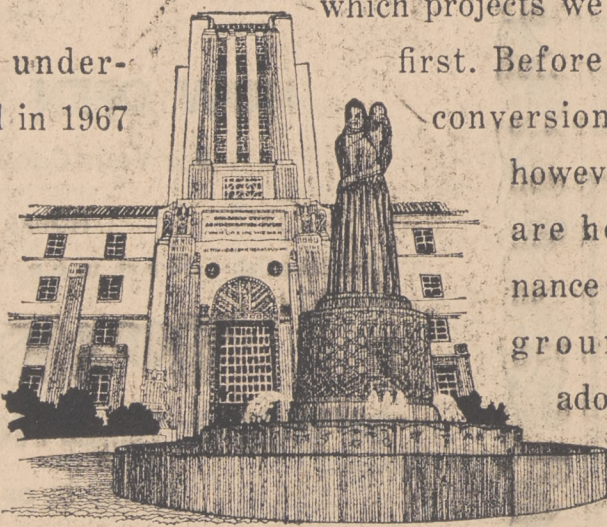

The procedure for undergrounding was established in 1967 when the California Public Utilities Commission issued rules for the utilities under its jurisdiction. These rules are similar to a proposal we had submitted.

The cities and counties have enacted enabling ordinances defining the role of local government and the consumer in this conversion program. Following this, many governmental entities have established a local underground utility advisory committee. The city council or

board of supervisors can then call on this group for advice in determining the priority of public interest projects within its boundaries. Then, they tell us which projects we should undertake first. Before an underground conversion can be started, however, public hearings are held and an ordinance creating an underground district is adopted.

Since 1967, we have budgeted nearly \$5 million for conversions. This money is allocated to the cities and counties in accordance with the number of customers in each.

Presently there are 20 public interest conversion projects under way and another 25 are pending.

Doctors Re-elected To AAGP Membership

KANSAS CITY, MO. — Three Lemon Grove doctors have been re-elected to active membership in the American Academy of General Practice, the national association of family doctors.

The doctors re-elected: Simon C. Brumbaugh, Jr., M.D.

Raymond I. Downs, M.D.

Frank Woods Hattox, M.D.

Re-election signifies that the physician has successfully completed 150 hours of accredited postgraduate medical study in the last three years. Members become eligible for re-election at the end of the third year following their election to membership. The Academy, the country's second largest national medical association, is the only national medical group that requires members to keep up with medical progress through continuing education.

The Academy, founded in 1947 and headquartered in Kansas City, Mo., has been instrumental in the establishment of a new primary medical specialty in family practice. The new specialty is expected to increase the numbers of family physicians available to serve the public in the future. The Academy's postgraduate education program is the foundation of eligibility for family doctors now in practice who apply for certification in the new specialty.

Choral Club Offers Support

The San Diego Choral Club is again offering a scholarship to a worthy voice student, aged 17 to 25 years.

The auditions will be held in the music auditorium at San Diego State College at 1 p.m. on Saturday, March 21.

Students having already auditioned may continue to do so until winning or until exceeding the age limit.

Those who wish to take advantage of this opportunity may do so by contacting the choral scholarship chairman, Mrs. John M. Woodrow, 7820 Canton dr., Lemon Grove, for further information.

Applications for the audition must be submitted by March 7.

They showed summer and winter parachute tents, full back packs, cooking sets, first aid supplies and various other related equipment.

Helix Speech Team captured top honors at the Cal Western Speech Tournament. Thirteen members of the squad placed.

They competed with students from 24 other schools.

Wanda Nelson, daughter of Mr. and Mrs. Henry Nelson, 3187 Citrus dr., Lemon Grove, took second place in women's impromptu.

Chris DeGaetano, daughter of Mr. and Mrs. Pasquale De Gaetano, 2752 New Jersey ave., Lemon Grove, won third place in women's extemporaneous speaking.

In dramatic interpretation, Phyllis Caughlin, daughter of Mr. and Mrs. William Caughlin, 8735 Hartzel, Spring Valley, captured 5th place.

Three Highlanders placed in the consolation finals, including Carla Riggins, daughter of Mr. and Mrs. John E. Riggins, 7592 Central, Lemon Grove, third place in persuasive.

Showmasters Slate Slides

The Helix Showmasters are presenting Seven Stars of the Showette Circuit in a program of short slide shows on Friday Feb. 13, at the Ben Polak Auditorium, 8053 University ave., La Mesa at 8 p.m.

Featured stars and their shows are the following: Freeman Doty, "Mining Towns of Yesteryears"; Edith and Bill Edie, "Journey to Rainforests"; Harriett Popejoy, "Trees";

Ed Sirutis, "Wood Goods from Good Woods"; Esther and Herb Polak, "Blossoms of Bucharts"; Van Greig, Vagabond Van in Holland"; and Helen and Bob Stinnet, "A World Apart".

Admission is free and everyone is invited to attend.

Dr. Jim Lauds Lady Quilters

"Dr. Jim's Work Group", not the name of a psychedelic rock band but a quilting group, was honored recently with the appearance of Dr. James Turpin.

Dr. Turpin came to Lemon Grove to speak and award honors to the group, a group of women who meet weekly in the Lemon Grove Congregational Church.

The women donate many of the quilts and comforters they make to Project Concern, who ship them all over the world.

Many of the items also go to needy families in San Diego.

"Dr. Jim" is Dr. Turpin, who founded Project Concern and started the women on their eight-year sewing bee.

In those eight years, the women estimate they've made more than 2,500 quilts, not including baby blankets and other items.

The work group has grown to a membership of 50 member workers, since the beginning when it was only a one-time project to help Hong Kong refugees.

President of the group is Mrs. Dale Moore, while Mrs. A. H. Osgood is director.

Architects Help Area Students

Several local architects have become involved in their community by volunteering their time in order to help High School students, in the Grossmont Union High School District, decide if they wish to pursue an occupation in the field of Architecture.

This program which meets twice monthly is called an Explorer Group and is approved by the Boy Scouts of America.

This Explorer Group in Architecture, so far, has met in two of the participating architect's offices to show the student what an Architect is involved with in a daily routine.

The program is not to teach a course in drafting, specification writing, etc., but to inform the student in generalities a little bit of all subjects. In this way, a student can decide whether or not to follow a course in the field of Architecture.

At present there are 9 students who attend our meetings. All students must be from High Schools in the Grossmont Junior High School District.

The next meeting will be held at the office of Architect J. Richard Wilson, 275 W. Madison ave., El Cajon, at 7:30 p.m., Feb. 17.

El Cajon Schedules Reunion

The search is on for members of the El Cajon Valley High School graduating class of 1960.

The class is planning their ten-year reunion for early March but so far have been able to contact only about half of the 400 member class, according to reunion committee-man, Judy (Stover) Syplot.

The committee members are also putting together a reunion booklet with a brief biography of each class member.

"So far we have only received a few of the biography forms back from class members. I guess everyone is so modest they do not want to brag about their accomplishments," said Mrs. Syplot.

"We think we will have a large turnout for our buffet dinner and dance in March if we can locate and contact the class members. The whole object of the reunion committee is to have as many class members as possible attend the reunion meeting," said Mrs. Syplot.

There are committees working to select a band, put together the reunion booklet, make dinner arrangements, acquire door prizes, and do mailings, and other necessary duties. "We can always use more help also," Mrs. Syplot noted.

For more information, former students should contact El Cajon Valley High School, 1035 East Madison, El Cajon, 444-2106.

Helix Pushes Back With 102-72 Blitz

Helix was roughed up but in no danger Friday night in beating El Cajon, 102-72. The Braves gave the Scots a physical beating under the boards but couldn't manage to slow down the high-powered Highlanders. Helix took a 28-11 lead after the first quarter and substituted freely. El Cajon made a comeback in the second period, moving the score up to 41-32 at intermission. Scottie coach Gordon Nash went back to his regulars and they blew Cajon out of the gym, outscoring them 41-14 in the third quarter. Bill Walton led both teams with 29 points, 27 rebounds and four blocked shots. Dean Owens of the Braves made sounds like he was going Walton's show one better as he put in 23 points, grabbed 17 rebounds, made 10 assists and stole the ball six times, a spectacular all-around performance. Walton got support from guard Mike Dupree, with 22 points, and cornerman Mike Honz, who grabbed 17 rebounds and scored 21 points. Dan Coleman tallied 15 points to help Helix to its second highest-scoring game of the year. The win gave Helix 10-0 and 25-0 league and season records and extended their record win streak to 41 games. El Cajon sagged to a 6-4 league, dropping nearly out of playoff contention.

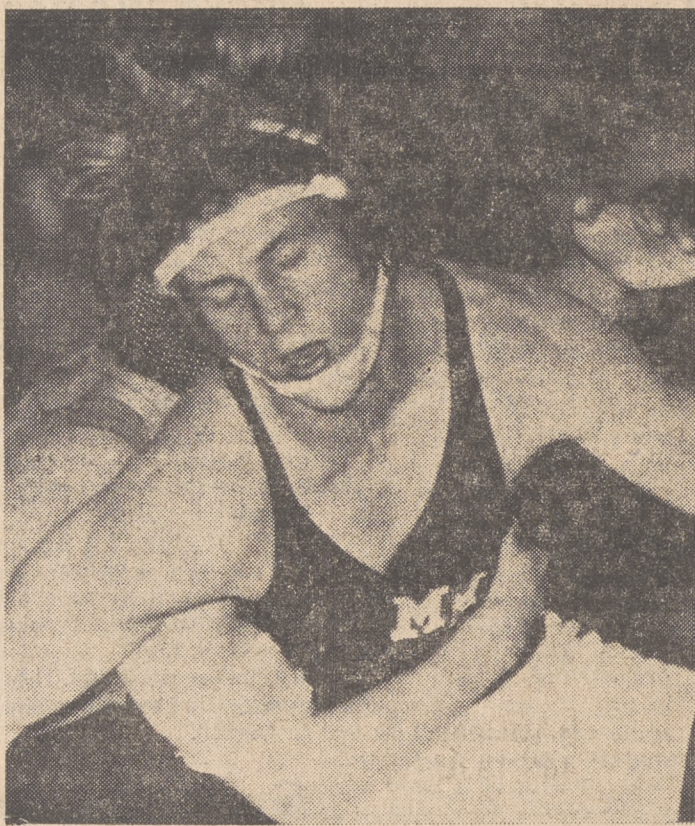

Matadors Can't Snap Loss Streak

Grossmont used a platoon system to beat Mount Miguel Friday night, 70-46. The Hillers switched a pair of teams back and forth in downing the Matadors. The loss was the ninth in league play for Miguel, against one win. The team is 2-18 in season play. Grossmont is now 4-6 in league play and 7-14 overall. The Matadors were led by John Slater and Tom Young, with 16 and 13 points, respectively. Both are juniors. Grossmont pushed to an 18-13 lead after the first quarter, and increased the margin to 35-23 at intermission. At three quarters, the Hillers were at 54-33 and still pulling away. Eleven Foothillers shared in the scoring, with junior center Kevin Enright (12 points) and senior guard Fred Baranski (10) breaking into double figures. Sophomore Mike Drollinger, a 6-9 center, made his first extended varsity appearance and scored nine points.

WINNER — Helix' Art Evins, second from right, pulls over last hurdle on way to a heat win in Balboa Stadium trials for indoor meet Friday afternoon. Evins, a top county hurdler last year, failed to qualify in the run-off over the short, 60-yard distance.

Frazier-Ellis Fight Live and In Full Color

The traditional struggle between a puncher, Joe Frazier, and a box-puncher, Jimmy Ellis, headlines a classic double-header boxing card at the San Diego Sports Arena Monday to determine the World Heavyweight Championship. The bout, to be held at Madison Square Garden in New York, will be shown exclusively in San Diego at the Arena via closed circuit television in full color for the first time. A preliminary bout, over ten rounds, will open the evening starting at 6:30 p.m. (PST) and will feature 1968 Olympic Games Heavyweight champion George Foreman against Argentine champion Gregorio Peralta. The world title affair will follow immediately. Tickets for the closed circuit showing are on sale at the Arena ticket office. Prices are \$7.50, \$6.50 and \$5.

Chargers Swap Allen For Steeler Don Alley

The San Diego Chargers traded linebacker Chuck Allen to the Pittsburgh Steelers for wide receiver Don Alley. Allen, a 10-year veteran, was praised by General Manager Sid Gillman as "one of the finest individuals we ever had on the Chargers. He gave us great service and we hope he does well at Pittsburgh." Allen played only on special teams in 1969 as the Chargers produced a strong linebacking corps of Rick Redman, Pete Barnes, Jeff Staggs, Bob Bruggers and Jim Peterston. It will be augmented this year by the return from knee surgery of Bob Babich, a No. 1 draft choice in 1969. Alley, 6-2, 200 pounds, played in six games for Pittsburgh in 1969 and caught one pass for 16 yards. He was signed by the Steelers as a free agent after spending two years with the Baltimore Colts. He played in nine games with the Colts in 1967 and was a Taxi Squad member in 1968. Alley was a No. 16 draft choice of Baltimore in 1967 from Adams State College of Colorado, where he caught 101 passes for 1,500 yards and 12 touchdowns in three seasons. A native of Cheyenne, Wyo., he turned down an offer to play baseball with the New York Yankees to sign with the Colts.

Top Speedsters Vie At Arena

Lee Evans, the 400-meter king, is the fourth Olympic Games gold medal winner to join the field for the San Diego Indoor Games at the Sports Arena Friday night, Feb. 20. The meeting will be combined with the C.I.F., San Diego Section, Championships, which involves the finest prep spike talent in the County. Evans, holder of the world 400-meter record at 43.8, joins Kenya's fabulous Kipchoge Keino, Randy Matson and Bob Seagren on the gold medal list to date. The San Jose State graduate student is rated one of track's all-time talents and his 43.8 400 record is one of the toughest on the record books. Evans will face formidable opposition here, including Len vonHofwegen, the UCLA star who did such a big job in Europe last summer, and Ron Whitney, former world record holder in the 400-meter hurdles. Tickets for the meet are available at the Sports Arena, 224-4174. Termites do an annual damage to homes of more than \$250-million a year.

Monarchs Relax With 40-Point Win

Monte Vista, playing relaxed basketball at last, showed how good it could be with an easy, 93-53 win over El Capitan Friday night. The Monarchs, playing pressure basketball since a series of opening losses, held the lid off the pressure cooker with a must win over Santana the previous Tuesday. So the Monarchs were loose, using a press to demolish El Cap's offense, and rolling up the score. Monte Vista was ahead, 49-29 at halftime, and wrapped it up at three quarters, pushing to a 75-39 margin. Jim Bristol, Gary Earle and Bill Belander were among the usual half-a-dozen stars for the Monarchs. Bristol scored 23 points and shut off El Cap's Steve Vickery, holding the star to six points. It was the second straight time the Monarchs have frustrated Vickery, normally a 20-point performer. He hit for

Bobby Sox To Register

Lemon Grove Bobby Sox registration is scheduled for three dates this month. Girls between 9-15 are invited to register either at the home of league president Mike Simpson, 2075 El Prado ave. in Lemon Grove or with the league secretary, Virginia Guenon at 7302 Waite dr. Registration is scheduled 11:30 a.m. to 4:30 p.m. this Saturday, and also on February 21 and February 28. A birth certificate is required at registration. Persons interested in assisting the league are also invited to sign up. A general meeting is scheduled at 7:15 p.m., February 25 at Golden Ave. school in Lemon Grove.

CHUCKIN' SPORTS

Rockets let fans down with a thud

By Chuck Curtis

On Wednesday, Feb. 3, it was my pleasure to witness a fine basketball game at the San Diego International Sports Arena. It was far and away the most exciting game I have seen in the arena all season. For three periods the teams battled on such even terms that a single point separated them. In the fourth period Memorial Junior High took command and finished the game by defeating Samuel Gompers Junior High 33-22. Two other teams put on a performance that same evening, the Rockets and the Bucks, but it would be hard to call it a basketball game. The real shame is that the second largest crowd of the season, 12,328 basketball fans were on hand for the affair. It started well as Elvin Hayes and Lew Alcindor gave evidence of renewing the feud they began in college. While Alcindor was in the game, during the best part of the first period, Big E was superb. Then the Milwaukee Bucks took their young giant out of the game and the fuel was gone from the Rockets' Big E. He put on a lack-lustre performance for the remainder of the evening, only showing spurts of life when Lew was playing opposite him. Meanwhile the Bucks were busy piling up a 141 to 123 win. The Rockets, as a team, were sad in the shooting department. They managed to shoot 344 percent in the first period, 345 in the second, 333 in the third and ended the game with a 387. The Bucks final shooting percentage was 564. Friday, against the Philadelphia 76ers was another story. True, the Rockets lost again, but they played fine basketball throughout the game and the 6,248 fans were thrilled to the closing minutes. Jim Barnett was spectacular as he poured 35 points through the hoop for his season high. Hayes hit for 29 and Stu Lantz for 21 in a gallant effort. The shooting percentages were far better with San Diego shooting 410 percent and the 76ers 490. All this is part of the prelude to the four-team expansion due at the end of this season. Already the scribes are busy guessing which seven members of the current Rocket roster will be protected. After giving the matter some serious thought, it is my opinion that the Rockets would be well advised to protect Elvin Hayes, Jim Barnett, Don Kojis, Stu Lantz, John Trapp, Rick Adelman and Bobby Smith. After the first selection by the expansion teams, Portland, Cleveland, Buffalo and Houston, each team is entitled to protect another player. At that time I would pull back Art Williams. This year the expansion draft should benefit the Rockets in more than money because it will open the door for the acquisition of a few players with a real desire to play the game, not just against select opponents, but against all comers. It should give us the chance to put together a squad that knows the meaning of teamwork and that will play together as one cohesive unit. This has been the problem as I have seen it, all season. The Rockets have had individual personnel that sparkled. When they managed to put it all together, they have looked great. February 4th Elvin Hayes was making good, quick moves that I have not seen him make since he played in a Houston uniform. When the big man plays that kind of basketball he is an inspiration to all the other players on the team and they move in a manner that keeps bringing the fans to their feet in excitement. The Rockets need a really big man at the post to combat the trend of basketball toward becoming a game of muscle rather than skill. They would do well to play a big center with Hayes and Kojis at forward and Trapp and Barnett at guard. There was a time when men like Hayes and John Block, 6-9 and 6-10, were considered as "big" men, but with giants like Alcindor (now listed in the Buck programs as 7-2) Chamberlain, Counts, Finkel and all the other 7-footers, it's no longer true. When our Rockets have to face teams that start guards at 6-5 and up with muscle, it is time we began to seek the kind of talent that can match muscle for muscle, hustle for hustle and shot for shot. We need players who will consistently shoot in the 40 percent bracket and better and, above all, we need men who will work the boards. It is distressing to see the Rockets launch a shot and immediately begin to back pedal. We need men who will follow their shots and battle on the boards. The expansion can enable us to make some needed changes. Let's hope the brass takes advantage of the opportunity.

Patrick to Challenge Kip in Mile

Dave Patrick, the former Villanova mile great, is back in top form and has challenged Kip Keino in the mile run of the San Diego Indoor Games Friday night, Feb. 20, at the International Sports Arena. The meet will be combined with the San Diego C.I.F. Championships. Patrick, as a senior at Villanova two years ago, recorded a sizzling 3:56.8 mile. That year he won the NCAA-AAU and semi-final Olympic Trials mile run. Then Dave came down with a back injury which kept him out of competition nearly all of 1969. Now he wrote Meet Director Ralph Smith his ailment apparently is a thing of the past and "I am anticipating a very, very fast mile." Keino, the Olympic Games champion and possessor of the Olympic record of 3:34.9 for the 1500 meters, has said he will be after the world indoor record of 3:56.4 for the mile on the super-fast San Diego boards. Patrick, if he is able to return to his 1968 form by then, should give the great Kenyan a good run. Keino last Saturday ran the fastest mile on a tight 12-lap indoor track in history — 4:00.6, as he blitzed Marty Liquori by more than 50 yards.

THE PHONE BOOTH

Just a year ago Valentine's Day one of our telephone people was married in Tokyo — and her relatives in the U. S. heard the ceremony, thanks to the telephone. Kay Reasbeck and her Air Force sweetheart decided not to wait for his return from Vietnam to get married. So she met him when he was on leave in Tokyo, and a Long Distance call was arranged to the bride's home in California where family and friends were gathered. The ceremony — broadcast via telephone circuit — was amplified to the happy group with one of our speakerphones. Love, it seems, with the help of the telephone, finds a way around everything!

I'd like to remind you that April 9 is the deadline for registering to vote in California's Primary Election. If you'll be 21 years old by election day — June 2 — or are new to your community, you must register to be eligible to vote. A new law makes it unnecessary for voters who've moved within their own county to re-register. Such voters can now notify the County Clerk or Registrar of Voters by mail of their address change. Appropriate forms will be provided by the County Clerk. They'll also be available at many of our main public telephone offices where Pacific Telephone will again be providing voter registration facilities.

The Question Box

Q Why is "Information" now called "Directory Assistance?"

A "Directory Assistance" is a better description of the service we provide: helping you find a number that is not in your phone book. You'll find most local numbers in your directory. But if there's one you can't find, "Directory Assistance" is there to help you.

U.S. National Profits Rise

As a result of increased profits provided by branches that have been opened within the past two or three years, and the elimination of their excessive start-up expenses the United States National Bank reported a 61.2 percent increase in net operating income before securities gains or losses for 1969 over 1968.

Operating net before securities gains, or losses was \$2,298,170 or \$1.66 per share, as compared with 1968's \$1,425,413, or \$1.27 per share. The net income for 1969 is \$1.37 as compared to \$1.25 for 1968. This gives us a 9.6% increase.

Year-end 1969 resources were \$576,723,227, an increase of 16.6 percent over 1968's year-end total of \$494,557,155.

Loans were up 10 percent, with year-end totals for 1969 reported at \$311,801,153 as compared with 1968's year-end figure of \$283,470,736.

DONATION — Representatives of women's groups present checks for Lemon Grove Jr. High band funds to school officials. From left, they are Mrs. William Farrell, Women of the Moose, Chapter 926, in Lemon Grove; Mrs. Lucille Smalley, president of the auxiliary, VFW Post 2082, principal Louis Poluzzi, and teacher aide Mrs. William Ball. San Altos PTA also contributed, although a representative is not pictured. The donations left the band only \$300 short of needed funds for new uniforms.

Oil Disaster Prevention Told

Santa Barbara — Senator Alan Cranston (D., Calif.) announced in Santa Barbara two new break-throughs in federal efforts to avoid a repetition of the underwater oil blowout that has plagued this California coastal resort for the past year.

He disclosed that:

1. Senator Murphy (R., Calif.), with Cranston's co-sponsorship, had introduced in the Senate this morning a bill to ban all new drilling along a 16-mile stretch of the federal tideland opposite Santa Barbara, and authorize cancellation of 20 oil company leases where production is not now in progress.

Cranston revealed that the proposal originated from a suggestion made by Interior Secretary Walter J. Hickel. As such, it represents the first time that the Department has endorsed the principle of cancelling previously granted oil leases in the Santa Barbara channel.

Business Awards

Area junior colleges are now selecting their top business students to receive Bank of America's 1970 Junior College Business Awards.

The winning students, whose names will be announced this month, will be honored at a banquet March 13 at the Beverly Hilton Hotel.

Balboa Hospital Needs Volunteers

Due to the recent military cutbacks, an additional 200 men and women Red Cross daytime volunteers have been requested by Admiral H. D. Warden to assist at the Balboa Naval Hospital in San Diego.

These volunteers will be working, at least one day a week, with doctors, nurses and patients in the following clinics: Obstetrics and Gynecology, Radiology, Thoracic surgery, Chaplains' office, Orthopedic clinic, Pharmacy, Pediatrics wards, Urology, general medicine and surgery clinics, Anesthesia clinic, Ophthalmology and the large laboratory.

Rebekah Lodge Meets

The regular business meeting of Mesa Jewel Rebekah Lodge will be held Wednesday evening, February 18 at 7:30 p.m. with Mrs. Eileen Aston, Noble Grand presiding, and Mrs. Daisy Beatty, Vice Grand, assisting.

Meeting at the American Legion Hall, 8118 University. We will honor the birthday of Thomas Wiley, and a short resume of the founder will be given by Merrill Gillespie.

Friendship night will be observed with members from District No. 54 as guests. Election of delegates to the Rebekah Assembly, which will be held on May 18 at San Jose.

100 Years Remain For Mankind—Mills

Senator James R. Mills (D., San Diego) said that the world is in for a fight for its life, and the main opposition is coming from the great source of economic and political power in the United States — the oil companies and the automobile manufacturers.

In a speech Saturday to the San Diego County Branch of the American Association of University Women, Mills quoted scientists predicting only one hundred years of life may remain for mankind on earth.

"Let me first tell you that carbon dioxide is a major end product of the internal combustion engine — which propels our cars," Mills said. "The way we derive energy from fuel is by combining the carbon in it with the oxygen in the air."

"The amount of carbon dioxide in the air is increasing at such a rate that by the year 2000 there may be set in motion a warming trend that could result in melting the ice in the polar caps. This is because carbon dioxide is a more efficient converter of the light energy of the sun into heat energy."

"There is enough ice there to raise the level of the seas 400 feet. Remember, in that connection, that almost all the great cities, population areas, and food producing areas of the world are below 400 feet."

Mills, Chairman of the State

Senate Transportation Committee, cited the President's commission on air pollution and the United Nations Department of Economic and Social Affairs as having arrived at these conclusions.

"The point was further made," Mills continued, "that once we get into a warming trend, even if we went back to riding horses, it is not reversible. The carbon dioxide concentration in the atmosphere will not decline."

Mills stated the risk is far too great for us to accept.

The South Bay Senator called for the increased use of nuclear energy and electric power to stop the enormous increase of carbon dioxide going into the atmosphere.

"Governmental leaders seem to think we can solve air pollution by cleaning up automobile exhausts. While this is imperative and urgent, the greatest threat comes from increases in the use of all forms of fossil fuel."

"As of yet, we have not addressed this problem at all and we had better proceed to do it soon, because, if these predictions are correct, unless we do, what remains of future generations are going to be battling for space in high and unproductive land and dying of famine under clear and smogless skies."

Hospital Bulges Past Capacity

The dramatic growth of the East County is illustrated by the more than 500% increase in population of Grossmont Hospital District since its formation in 1952.

In 1952 there were less than 30,000 persons living in the 730-square-mile area when voters by a heavy majority approved formation of the district. The figure was still under 50,000 a year later when voters authorized construction bonds for an initial bed capacity of 110.

Today population exceeds 250,000, more than five times what it was 18 years ago. Hospital bed capacity remains at 216, less than double the initial bed authorization.

Today the shortage of bed capacity and related medical facilities is reaching critical proportions, according to hospital administrator Lev Bristol.

In some cases, Bristol said, district residents, who own and paid to build the hospital, must be turned away because there just isn't room. Those anticipating non-emergency surgery must wait two months at present to be admitted, an extended period of often painful waiting. Some physicians have simply elected to take their patients to more distant private hospitals with higher costs. And those admitted often must leave Grossmont Hospital earlier than desirable to make room for the next in line.

The 730-square-mile district includes El Cajon, La Mesa, the Lake Murray-San Carlos area of San Diego, a portion of Del Cerro, and the communities of Alpine, Bostonia, Campo, Dulzura, Fletcher Hills, Guatay, Jamul, Lakeside, Lemon Grove, Pine Valley, Potrero, Santee and Spring Valley.

The increase in passengers also meant an increase in mileage. Here prudent scheduling resulted in an increase of just 547,361 miles bringing the year's total to 7,930,337.

The 13.5 per cent passenger increase of 1968 was the result of nearly one million additional miles. The effective scheduling in 1969, resulted in December showing a 13 per cent passenger increase and a 12 per cent increase in revenue for only a 5.9 per cent increase in miles.

CANDIDATE — Bob Ogden, vice president and general manager of the La Mesa Electric Co., entered politics for the first time when he entered the race for La Mesa City Council. Ogden, a member of the Optimist club and the Silvergate Masonic lodge, lives in La Mesa but is well known locally in business circles.

CELEBRATION — Lemon Grove senior citizens gathered at Lemon Grove Congregational Church Monday afternoon for a luncheon and to honor each other. Here, Mr. and Mrs. Joe Lowery, and president Marie Herder pose with the celebration cake.

Volunteers Work For Expansion

Some 40 volunteer women are taking a vigorous part in the citizens campaign for a "Yes" vote in the March 3 special election in the Grossmont Hospital District. The election seeks voter approval to add 164 beds and related medical facilities to the overcrowded public hospital.

Grossmont Hospital Auxiliary is manning the campaign headquarters located at 208 Van Houten ave., El Cajon; carrying out a "Get Out the Vote" campaign; assisting voters on election day; mailing out literature, and assisting the campaign Speakers Bureau.

Campaign volunteer chairmen include Mrs. J. Richard Teague, general precinct chairman; Mrs. William Stovall, hospital chairman; and Mrs. Craig Howry, personnel chairman, according to Mrs. John F. Cady, auxiliary president and a member of the Citizens Expansion Committee.

Other auxiliary volunteers playing a leading role in the campaign include Mmes. Gerald Sanders, William Turpie, Ronald Leland, Fred Allen, Roy Stacey, Don Demmon, Howard Pierce, Robert Higgins, Travis Hatfield, and Hugh Mullen.

The Grossmont Hospital Auxiliary has been active in East County social and community projects for 15 years. The majority of its 350 members come from El Cajon and La Mesa.

"The overcrowded situation at the hospital involves all of us, our families, children, and neighbors," said Mrs. Cady. "We must do all we can to insure a Yes vote on March 3 so our families will not go without the medical care and attention they deserve."

Reinecke Asks for Shore Preservation

Lieutenant Governor Ed Reinecke called for a moratorium on all "adverse construction and modifications" in the California coastal zone pending the development of statewide planning and development criteria to guard against destruction of the spectacular beauty of the California coast.

U.S. National Bank Spreads to Yucaipa

United States National Bank announced it has acquired the three offices of Southland National Bank, which has its headquarters in the San Bernardino County community of Yucaipa.

Terms of the acquisition, which was made on a cash basis, were not disclosed. The purchase price covered Southland National Bank's physical properties and certain assets and designated liabilities. The acquisition, which has been approved by regulatory authorities, became effective at the first of the week.

Southland National, which opened for business in March 1965, has branches in Loma Linda, also located and Hemet. United States National, as of year-end 1969, had assets in excess of \$76 million and deposits in excess of \$494 million. The 56-year-old bank, with the acquisition, now has 58 offices in five Southern California counties.

La Mesa's Morgan Named UCS Exec

A 41-year-old veteran fund-raising and community organization professional has been named executive director of United Community Services of San Diego County (UCS), it was announced by UCS President David H. Thompson.

The appointment of Donald L. Morgan to succeed retiring executive Ralph T. Shaw was approved by the board of directors of UCS at a special meeting this afternoon in the organization's downtown headquarters.

The new executive, who formerly was a campaign director for the local United Crusade, was selected after a three-month nationwide search. Candidates were screened by an eleven-man selection committee which reported their recommendations to the UCS board.

His choice of Morgan was unanimously approved by the board at a meeting.

The next executive came to San Diego three years ago as associate director of UCS with the responsibility of directing the annual United Crusade drive.

Under his direction, the an-

nual United Crusade has shown an increase of 39 per cent in campaign results.

A native of Rochester, New York, Morgan came to San Diego from San Bernardino where he served for four years as executive director of United Community Services of San Bernardino.

Morgan is a member of the First Unitarian Church of San Diego, the National Association of Social Workers, and the San Carlos Swim and Racquet Club. He resides at 4724 Mission Bell lane in La Mesa with his wife and four children.

Jail Bail By Check Now Permitted Here

Captain John F. Duffy, Commander of the San Diego County Jail, said last week that the Jail will now accept certain checks in payment of bail or fines.

"Acceptable checks," Duffy said, "will consist mainly of certified checks, money orders, verified business checks, and in some instances, personal checks when identification and residence of the person are proved valid."

This is a major change from the old procedure of accepting only cash or bail bonds for a person's release from jail.

"The new procedure was developed to further streamline the jail operation," Capt. Duffy said, "and it is expected to enable quicker releases, especially in the night hours when cash is not readily available. It is also expected to aid the Department in improving its public relations, because people rightfully could not understand why the County Jail could not accept legitimate types of checks."

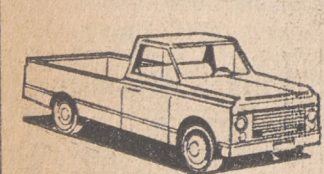

The refusal to accept the checks resulted in citizens spending a lot of time obtaining the necessary cash.
